

## About Us

Our chapter of the Grant County Master Gardener Volunteers was founded in 2001.

Two Horticulture Scholarships are awarded yearly to UW-Platteville students

Our annual plant sale is May 13 from 8-11AM. Plants are donated from our zone four gardens. Shrubs, perennials, vegetables and bulbs are available at the sale.

We support community gardens in over twenty locations.

Our educational programs are free and open to all.

Garden Conference on April 22 at UW-Platteville.
